

**SteelGardenSystems.com**  
custom built steel garden beds  
250-851-6885

## Design Layout Planner

Print this page. Use the graph paper as 1' equals one square. The beds can be 2' or 3' wide. Draw out your garden design then text or email it to me. I will get back to you with a material list and a price. [info@steelgardensystems.com](mailto:info@steelgardensystems.com)
